

A woman with long, wavy brown hair is the central figure, looking slightly to her right. She is wearing a white, lace-trimmed, short-sleeved top and a matching white skirt with a lace waistband. Her hands are positioned near her chest, and she is wearing rings on both. A delicate necklace with a small pendant is visible around her neck. The background is a lush garden with green foliage and numerous out-of-focus light spots, creating a bokeh effect. The overall mood is soft and romantic.

SHE DOESN'T BUY FLOWERS.
SHE GROWS THEM.
SHE IS A NATURE LOVER.
